5. Tap SIGN UP WITH EMAIL

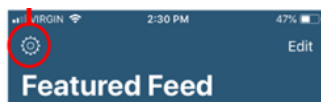

SIGN UP WITH EMAIL

SIGN UP WITH FACEBOOK

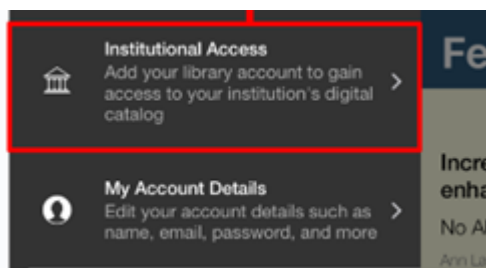

6. Create your free account – use your UHMBT email for this

1. Now you need to add your institutional access (OpenAthens username and password)

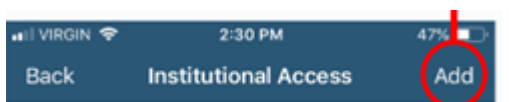

2. Tap the settings icon on the top left hand corner

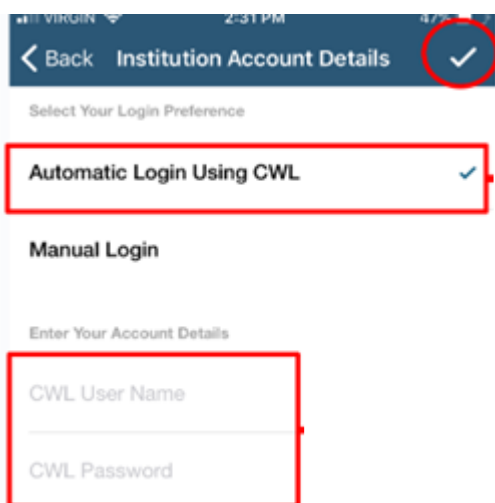

3. On the Account Settings page, select Institutional Access.

4. Tap the Add button at the top-right.

5. A list of institutions should appear. Search for your institution and select it - "University Hospitals of Morecambe Bay."

6. Select your login preference - In this case it would be Automatic Login Using CWL.

7. Enter your Open Athens account username and password

8. Tap the Check icon.

9. You will be prompted to select an option. Select Save and Log In in order to login to your institution.
