

## Privacy Statement for University Hospitals of Morecambe Bay Trust Library and Knowledge Services

This privacy policy outlines:

- ❖ What personal data we hold about you and why we hold it
- ❖ Who may have access to your data
- ❖ How your data is processed and stored
- ❖ How long your data is retained
- ❖ Your individual rights

### Introduction

We are committed to safeguarding your information. The information you supply will only be used to contact you about resources that you have requested from the Library and Knowledge Services (LKS) at University Hospitals of Morecambe Bay Trust (UHMBT). We will keep your information and use it to enable us to administer library services effectively, lawfully and appropriately. This privacy notice applies to all UHMBT staff and students who are members of the library or use any other aspect of our service.

### What personal data we hold about you and why we hold it

We store your data so that we can contact you in the administration of library services, for example, book loans, literature search requests, training, document supply, any invoices for printing, surveys and access to electronic resources. For instance you will also be contacted about your loans, when they are available for you to borrow, when they are due to be returned or if they are overdue.

We store your name, work and/or home postal address, email address(es), phone number(s), employer's name, employer's location, job role, and course and academic institution where relevant.

This data is stored in our library management system and also on local spreadsheets and databases.

### Sharing your personal information

Your information may be shared within the organisation when there is a legitimate business need to do so. We will only ever share your information outside the organisation if we are satisfied that they have sufficient measures in place to protect your information in the same way that we do.

We will never share your information for marketing purposes. We may also occasionally share your information with the organisations that supply and manage our library management systems. We may share your information with another LKS team if you move organisations (you will receive an email notification if this happens).

If you have any concerns related to this privacy policy, or have any queries about the use of your personal data, please contact [library@mbht.nhs.uk](mailto:library@mbht.nhs.uk)

### **How your data is processed and stored**

When you complete a registration form, your data is added to our Library Management System which is stored at University Hospitals of Morecambe Bay NHS Foundation Trust. If you notify us of any changes to your personal information; such as contact details, we will update the system accordingly. Technical safeguards are in place to help ensure that your data is kept safe and only disclosed to people who are authorised to view it.

### **How long your data is retained**

Your data is kept for as long as you are an active library member. If you cease to be an active member we will delete your data a maximum of two years after you have ceased to be active, or sooner if you inform us that you wish us to delete it.

We securely destroy any personal data about you when it is no longer of use.

In terms of our literature searching service, we will keep your data for 3 years so that we can refer back to the search results and we will keep training records for 2 years.

### **Individual rights**

GDPR laws give you rights in respect of the personal information that we hold about you.

These are:

- ❖ To be informed why, where and how we use your information.
- ❖ To ask for access to your information.
- ❖ To ask for your information to be corrected if it is inaccurate or incomplete.
- ❖ To ask for your information to be deleted or removed where there is no need for us to continue processing it.
- ❖ To ask us to restrict the processing of your information.
- ❖ To ask us to copy or transfer your information from one IT system to another in a safe and secure way, without impacting the quality of the information.
- ❖ To object to how your information is used.
- ❖ To challenge any decisions made without human intervention (automated decision making)

For further details on the rights of individuals under GDPR please visit our Trust Information intranet site.
