1. SUMMARY

This policy sets out the induction arrangements for all new staff (contracted and bank) and agency staff to the Trust.

The Trust is fully committed to the systematic induction of all employees, i.e. Contracted staff (substantive or fixed term), bank staff, agency staff and training doctors new to the Trust, workplace or role. To ensure the effective and efficient induction of all new starters the Trust has put in place the following arrangements:

- **Corporate Induction Programme for contracted and bank staff**
  - This programme is designed to ensure all new contracted and bank staff are given the key information they require that will help them integrate into their role within the organisation quickly and effectively

- **Medical Induction Programme for training doctors**
  - This programme is designed to ensure all new training doctors are given the key medical information they require that will help them integrate into their role within the organisation quickly, effectively and safely

- **Local Workplace Induction for contracted staff**
  - The Local Workplace Induction is designed to ensure that all new contracted staff are properly orientated to the organisation and are confident and competent to undertake their role

- **Local Workplace Induction for bank staff**
  - The Local Workplace Induction is designed to ensure that all new bank staff are properly orientated to the organisation and are confident and competent to undertake their role

- **Speciality/Departmental Induction for training doctors**
  - The Speciality/Departmental Induction is designed to ensure that all new training doctors are properly orientated to their department and organisation and are confident and competent to undertake their role

- **Local Workplace Induction for agency staff**
  - The Local Workplace Induction is designed to ensure that all new agency staff are properly informed, capable and competent before they are allowed to undertake their necessary duties. This process utilizes a local workplace induction booklet

The Trust will ensure sufficient resources are allocated to the induction process in order that this can be delivered efficiently and effectively. The resources allocated include:

- Sufficient specialist trainers, managerial and support staff to ensure the timely organisation, preparation and delivery of the Corporate Induction Programme
- Adequate time for managers to prepare for and co-ordinate the Local Workplace Induction process for all new starters

Adequate time for new starters, away from their principal duties, to complete all elements of the induction process
2. PURPOSE

The purpose of this staff induction policy is to ensure the effective and efficient integration of all employees (i.e. contracted and bank staff), training doctors and agency workers who are new to the Trust and/or a particular workplace or role.

3. SCOPE

The Trust regards as mandatory, the full and proper induction of all new employees:

- Contracted and Bank staff
  - Attendance at the Corporate Induction Programme and completion of the Local Workplace Induction
- Training Doctors
  - Attendance at the Medical Induction Programme for Training Doctors and completion of the Speciality/Departmental Induction
- Agency staff
  - Completion of the Local Workplace Induction for agency staff

Effective induction will ensure:

- New staff are appropriately informed and/or trained to safely and effectively undertake their duties
- New staff quickly develop a sense of familiarity, belonging and a feeling of self-worth as a valued member of the work team
- Reduce the risk of harm to employees and/or patients by ensuring new staff are adequately informed, prepared or trained for their duties

4. POLICY

4.1 Duties

4.1.1 Educational Governance Group
It is the duty of the Educational Governance Group to:

- Receive, review and acknowledge receipt of Trust wide induction compliance data
- Take the necessary action to address any issues associated with a lack of assurance and/or lack of induction compliance throughout the Trust

4.1.2 Divisional Management Teams
It is the duty of the Divisional Management Team (typically, via Divisional Governance Assurance Group meetings) to:

- Monitor and manage all induction compliance within the division
- Address and resolve any induction compliance (contracted & agency staff) problems within the division
- Ensure all training doctors who start "out of normal rotation" (i.e. not in February or August) are booked on and attend the Corporate Induction programme

4.1.3 Learning and Organisational Development Department
It is the duty of the Learning & Organisational Development Department to:

- Organise and co-ordinate Corporate Induction, on a monthly basis, on the RLI & FGH sites
- Confirm, with the Appointing and/or Department Manager, all Corporate Induction
bookings
- Record, within TRAC (the Trust's electronic recruitment management and corporate induction booking system) all new starters who attend or fail to attend Corporate Induction as planned
- Provide the induction compliance data for the Educational Governance Group

4.1.4 Employment Services
It is the duty of Employment Services to:
- Book all new starters (contracted & bank staff), via the TRAC system, on to the Corporate Induction Programme
- Ensure that all the staffing agencies, used by the Trust, are provided with an electronic copy of the Local Workplace Induction Booklet for agency staff

4.1.5 Workforce Business Partner (Workforce BP)
It is the duty of the Workforce BP to:
- Ensure the Divisional Management Team monitor and review induction compliance data on a monthly basis

4.1.6 Medical Staff Coordinator (or equivalent)
It is the duty of the Medical Staffing Coordinator (or divisional equivalent) to:
- Monitor the return of completed and signed Local Workplace Induction Booklets for agency staff
- Retain, for future reference, copies of all complete Local Workplace Induction Booklets for agency staff
- Follow up all agency staff who do not complete, sign and return the Local Workplace Induction Booklet
- Inform the HB Retinue (Staffing Agency) if the Local Workplace Induction Booklet is not returned within the given timescale
- Inform the Divisional Management Team of all significant Local Induction for agency staff compliance issues

4.1.7 HB Retinue
It is the duty of the HB Retinue (Staffing Agency) to:
- Ensure all agency staff receive a copy of the Local Workplace Induction Booklet prior to commencement

4.1.8 Postgraduate Medical Education
It is the duty of Postgraduate Medical Education on the RLI & FGH sites to:
- Ensure that all new training doctors are booked on and complete Medical Induction for rotations starting February (at RLI) and August (at RLI & FGH)
- Organise and co-ordinate Medical Induction for each new intake/rotation of training doctors for February and August
- Follow up training doctors who do not complete Medical Induction
- Follow up any trainees who do not complete Corporate Induction having started the Trust outside of February and August
- Inform the Director of Medical Education of any significant compliance issues associated with Medical Induction

4.1.9 Trust Specialty Training Lead (TSTL) or nominated deputy:
It is the duty of the Trust Specialty Training Lead/nominated deputy to:
• Ensure that all new training doctors receive and complete Speciality/Departmental Induction within the given timescale
• Monitor the return of completed Speciality/Departmental Induction checklists
• Ensure that all completed Speciality/Departmental Induction checklists are retained for reference
• Ensure that a copy of all completed Speciality/Departmental Induction Checklists are forwarded to Postgraduate Medical Education
• Book trainees not attending the February and August Medical Induction onto the Corporate Induction Programme
• Inform the Director of Medical Education of any significant compliance issues associated with Speciality/Departmental Induction for training doctors

4.1.10 Director of Medical Education
It is the duty of the Director of Medical Education to:
• Deal with all significant compliance issues associated with Medical Induction for training doctors
• Deal with all significant compliance issues associated with Speciality/Departmental Induction for training doctors

4.1.11 Ward or Department Managers
It is the duty of Ward or Department Managers to:
• Ensure that all new contracted staff receive and complete Local Workplace Induction
• Ensure they cover/explain all the items contained in the Local Workplace Induction Checklist
  o The Local Workplace Induction Checklist is accessible via the Trust's electronic Training Management System
  o This must be recorded as complete via the Trust's Training Management System

4.1.12 All new employees (medical, non-medical and training doctors)
It is the duty of all new employees to:
• Attend and complete Corporate Induction (Contracted and Bank Staff) or Medical Induction (Training Doctors)
• Complete their Local Workplace Induction (Contracted and Bank Staff)
  o This must be recorded as complete via the Trust's Training Management System
• Complete their Speciality/Departmental Induction (Training Doctors)

4.2 Corporate Induction of Contracted and Bank Staff

4.2.1 Duties
• It is the duty of Employment Services to ensure that all new contracted and bank staff are booked on to attend Corporate Induction
  o The "start date" for all new staff should, under normal circumstances, correspond to their planned attendance at Corporate Induction
• It is the duty of the Learning & Organisational Development Department to organise and co-ordinate Corporate Induction on a monthly basis at the RLI & FGH sites
• It is the duty of the Learning & Organisational Development Department to ensure all attendees at Corporate Induction sign the attendance sheet and also identify those individuals who "Did Not Attend"
• It is the duty of the Learning & Organisational Development Department to record,
within the TRAC system, all those who did and did not attend Corporate Induction

- It is the duty of Employment Services to follow up those individuals who do not attend/complete Corporate Induction (as recorded in TRAC) and rebook these individuals on to a future Corporate Induction Programme
- It is the duty of the Divisional Management Team to monitor and manage any significant compliance issues, within the division, associated with Corporate Induction
- It is the duty of the Educational Governance Group to monitor and manage any significant compliance issues, throughout the Trust, associated with Corporate Induction
- See Appendix 3 for details of the Corporate Induction process

4.2.2 Content of Corporate Induction
The current programme content and timetable for Corporate Induction can be found on the Learning and Organisational Development section of the Trust Intranet:

4.2.3 Process for booking all new starters on to Corporate Induction
- Employment Services will book all new contracted and bank staff onto Corporate Induction using the TRAC system (the Trust's electronic recruitment management and corporate induction booking system)
- The Learning & Organisational Development Department will use the list, within TRAC, to produce a "Attendance Register" for the Corporate Induction Programme

4.2.4 Timescales for completion of Corporate Induction
- Employment Services will ensure that, once all the necessary checks and clearances are satisfactorily complete, all new contracted and bank staff are booked to attend the first available Corporate Induction Programme
  - The date upon which new staff attend Corporate Induction will, under normal circumstances, be regarded as their official "Start Date"
- In exceptional circumstances (e.g. the new contracted staff member is not fully cleared and the organisation urgently requires this person to commence work) the new starter may commence work, before the next scheduled Corporate Induction, only when:
  - The relevant Executive/Clinical Director has approved the early start date
  - A full and comprehensive risk assessment has been conducted and the necessary safeguards specified and implemented

4.2.5 Recording completion of Corporate Induction
- The Learning & Organisational Development Department will:
  - Ensure all attendees at Corporate Induction sign the Corporate Induction attendance register
  - Record, within TRAC, all those who did, or did not, attend Corporate Induction

4.2.6 Follow-up for those new members of staff who do not complete Corporate Induction
Employment Services will:
- Inform the relevant Department Manager if their new member of staff did not attend Corporate Induction as planned
- Where necessary, automatically rebook those who do not attend their scheduled Corporate Induction on to a future Corporate Induction programme
  - The rescheduled Corporate Induction date will, in effect, become the new "Start Date"
4.2.7 Monitoring compliance
- The Divisional Management Team will monitor and review attendance at Corporate Induction on a monthly basis
  - The Divisional Management Team will take the necessary action to address any corporate induction compliance issues within the Division
- The Learning & Organisational Development Department will produce Trust wide Corporate Induction compliance data for the Educational Governance Group
- The Educational Governance Group will:
  - Review and acknowledge receipt of Trust wide induction compliance data
  - Take the necessary action to address any issues associated with a lack of assurance and/or lack of Corporate Induction compliance throughout the Trust

4.3 Medical Induction of Training Doctors

4.3.1 Duties
- It is the duty of Postgraduate Medical Education to ensure that all new training doctors are booked on and attend Medical Induction
- It is the duty of the TSTL/nominated deputy to ensure that all new training doctors who start outside of the normal February & August rotation are booked on and attend the Corporate Induction Programme
- It is the duty of Postgraduate Medical Education to organise and co-ordinate Medical Induction for each new intake/rotation of training doctors starting in February and August
- It is the duty of Postgraduate Medical Education to follow up training doctors who do not attend Medical Induction
- It is the duty of Postgraduate Medical Education to inform the Director of Medical Education of any significant compliance issues associated with Medical Induction
- See Appendix 1 for details of the Medical Induction of Training Doctors process

4.3.2 Minimum content of Medical Induction
The programme content and timetable for Medical Induction can be found in Appendix 2

4.3.3 Process for booking all new training doctors on to Medical Induction
- The Education Centre will compile a full attendance list based on:
  - A list, provided by the "Lead Employer" and/or Health Education North West of the new training doctors who will be rotating in to this Trust
- For those training doctors, who commence "out of rotation" (training doctors normally rotate jobs in February & August), the TSTL/nominated deputy will:
  - Book the training doctor onto the next available Corporate Induction Programme

4.3.4 Timescales for completion of Medical Induction
- The Medical Induction is scheduled to take place on the first Wednesday in February & August at RLI and August only at FGH. Therefore, all Training Doctors, who rotate jobs at these set times/dates, will complete Medical Induction within 1 week from commencement
- For Foundation Doctors Shadowing and Medical Induction takes place two weeks prior to commencement
- Training doctors who start “out of rotation” and who attend the Corporate Induction programme should complete this within 1 month from commencement
4.3.5 Recording completion of Medical Induction
- Postgraduate Medical Education will:
  o Ensure all attendees at Medical Induction sign the attendance register
  o Maintain a database of all the training doctors that attend Medical Induction

4.3.6 Follow-up of those new training doctors who do not complete Medical Induction
- For those training doctors (Core Trainees & Specialist Trainees) who do not complete Medical Induction, Postgraduate Medical Education will:
  o Inform the TSTL/nominated deputy
- It is the duty of the TSTL/nominated deputy to:
  o Ensure that these training doctors are booked on to the next available Corporate Induction Programme
- For those training doctors (Foundation Doctors & GP Trainees) who do not complete Medical Induction, Postgraduate Medical Education will:
  o Book them on to the next available Corporate Induction Programme

4.3.7 Monitoring compliance
- Postgraduate Medical Education will:
  o Maintain a database of all new training doctors
  o Record completion of Medical Induction for each new training doctor
  o Identify any significant Medical Induction compliance issues and report these to the Director of Medical Education
- The Director of Medical Education will:
  o Decide upon and initiate any necessary action to deal with all identified Medical Induction compliance issues

    ▪ A list of the outstanding local induction booklets
    ▪ Recommendations, where appropriate, for addressing compliance issues
• The Divisional Management Teams will:
  o Acknowledge and record (typically as part of their Divisional Governance Assurance Group meetings) receipt of the Quarterly Local Induction Report
  o Record the necessary action and follow up to address any compliance issues
• The Educational Governance Group will:
  o Acknowledge and record (in the notes of the committee) receipt of all local induction for agency staff compliance issues reported by the divisional management teams
  o Record (in the notes of the committee) the necessary action and associated follow up to address all reported local induction for agency staff compliance issues

4.8 Monitoring Compliance

Adherence to this policy will be monitored and reported as detailed in appendix 9.

Key Performance Indicators
1. 95% of all new starters attend Corporate Induction on their first day of commencement
2. 95% of all rotational training doctors attend and complete Medical Induction (training doctors) within 1 week from commencement
3. 95% of all training doctors who start “out of rotation” attend and complete Corporate Induction within 1 month from commencement
4. 95% of all new contracted staff completed Local Workplace Induction within the first month from commencement
5. 95% of all new bank staff completed Local Workplace Induction within the first month from commencement
6. 95% of all training doctors completed their Speciality/Departmental Induction within 1 week from commencement
7. 95% of all agency staff completed their Local Workplace Induction within 1 week from commencement

Adherence to the policy may also be periodically audited by the internal audit department as part of the review of internal controls.

Department Induction Register for Trainee Doctors

Date:  
Venue:  
Department:  

As an organisation we have a responsibility to ensure that all Trainee Doctors receive a Departmental Induction to ensure that they are provided with the necessary support and training to enable them to start work safely and effectively.

You are signing this register to confirm that the Departmental Induction checklist has covered all the required aspects and that you understand the induction information. The checklist will be signed by the Clinical Induction Lead and the Administrative Induction Lead. A copy of the register and checklist will be sent to the Education Centre as evidence of compliance. If you feel that any area has been missed, and you require further information, please bring it to the attention of your Clinical Induction Lead.

</table>

Provide brief description of the positive / negative impact identified benefits to the equality group.

Is any impact identified intended or legal?
2) In what ways does any impact identified contribute to or hinder promoting equality and diversity across the organisation?

3) If your assessment identifies a negative impact on Equality Groups you must develop an action plan to avoid discrimination and ensure opportunities for promoting equality diversity and inclusion are maximised.
   - This should include where it has been identified that further work will be undertaken to further explore the impact on equality groups
   - This should be reviewed annually.
