Dr. Shahedal Bari, Medical Director of University Hospitals of Morecambe Bay NHS Foundation Trust (UHMBT), said: “We wish to apologise unreservedly to this gentleman for the distress and upset he has suffered.

We can confirm that a complaint was made in 2013. As a result, an independent report was commissioned by the Trust, which was received in 2014.

This led to an invited review by the Royal College of Surgeons of England, this together with an internal investigation led to a referral being made by UHMBT to the General Medical Council.”
