

PUBLISHED INFORMATION REQUEST

Reference: 13166

Description: Patient Records - Digitising, Document Management System

Response

1. *Has the Trust already gone through a process of digitising hard copy patient records (Legacy and/or Day Forward records)?*

No

2. *What is the Trust's planned timeframe to commence scanning hard copy patient records as part of a transformation programme, if this has not already begun?*

No plan as yet

3. *Does the Trust use a document management system to view scanned patient records, and if so, which one?*

All documents scanned are on Lorenzo (our Electronic Patient Record – EPR) and EMIS

4. *Please provide the contact email and phone number for the following at the Trust:*
Trust IT Director / IM&T Director
Trust Chief Information Officer
Trust Head of Health Records
Trust Head of Digital Transformation
