

## **Weekly News 14.06.22**

**We should all be continuously looking at what we are doing and seeing if we can do it better for the benefit of all our patients and colleagues.**

Did you know that we have a dedicated eLearning package to help get you started on learning how to improve in the Trust? It only takes 15 minutes – the length of time it takes to drink a cup of tea or coffee!

Go to the Training folder then 'My Learning and Development' at the top of the intranet home page, search for '**Improving Together**' in your 'To Do' section to add and access.

You can also head to [the Hive Improvement Centre](#) to learn more or come and talk to us about your improvement ideas at the '**Pop-Up Culture and Leadership Roadshow**' where you can also discover all about the Leadership Programme or maybe even contribute to a video about any improvements that you and your colleagues may be working on.

### **The Hive - Improving together for a shared purpose.**

The roadshow can be found at:
