

# Wanting to become a Midwife?

Are you a Registered Adult Nurse with a  
minimum of a 2.1 degree?

**We have a fabulous opportunity for adult nurses who wish to pursue a career in midwifery! to undertake the 2 year post RN (pre-registration) midwifery programme at Salford University, starting 2<sup>nd</sup> January 2023.**

- Fully funded, paid at mid point Band 5 during training, includes all university fees.
- Masters level (MSc) study leading to a midwifery qualification
- On successful completion you will be eligible to register as a midwife on the NMC register
- Practical training and experience is based at FGH
- Study is condensed into weeklong blocks
- Students will have a mix of attendance on the Salford campus, virtual sessions and self directed learning
- Travel expenses can be claimed
- Holidays are 7 weeks per annum, set by the University
- We have only 4 places for UHMBT

**All applications must be completed by August 31<sup>st</sup> 2022** (To allow required notice period for current wards/departments, this is absolute and not extendable)
